

BEFORE THE  
POSTAL REGULATORY COMMISSION  
WASHINGTON, D.C. 20268-0001

NOTICE OF PRICE ADJUSTMENT  
(TECHNOLOGY CREDIT PROMOTION)

Docket No. R2013-6

**MOTION OF THE UNITED STATES POSTAL SERVICE  
FOR LEAVE TO FILE REPLY COMMENTS**

(June 4, 2013)

The United States Postal Service ("Postal Service") hereby moves for leave to file reply comments. While the Postal Service regrets having to burden the Commission with additional motion practice, several arguments raised in the comments filed in this docket warrant a response. In particular, several Commenters questioned whether the Technology Credit Promotion is fair and equitable, and whether the Postal Service's original notice complies with the Commission's rules. The Postal Service is confident that the Commission will benefit from the additional information presented in its reply comments, and has no reason to believe that any party will be prejudiced by their acceptance.

Respectfully submitted,

UNITED STATES POSTAL SERVICE  
By its attorneys:
